

I thought for sure that arranging the details from Des Moines, Iowa would be a difficult task, but you and the Plaza Perfect Catering staff made the entire experience simple from start to finish. You were always very prompt and professional with me and took the time to answer all my questions.

Your initial quote and description of what you envisioned our evening of celebration being caught my eye immediately. As we read your breathtaking description we knew that you had the imagination to make it a truly memorable evening.

The ING Holiday party went off without a hitch thanks to the professionalism and attention to details by you and your staff. As you know I spoke with a number of catering firms before selecting Plaza Perfect. None of the other firms matched the individual attention or quick response provided by Plaza Perfect.

On the day of our event, setup was seamless and everything was taken care of on time. The copper décor was beautiful and the presentation of the food was perfect. The servers were very courteous and did a great job presenting food to each person in attendance.
