PARADISE VALLEY—AZ

New Desert Horizons In Paradise Valley

Welcome to Kimpton Miralina Resort & Villas, where the spirit of discovery brings a boldly sophisticated new vision of desert luxury. Spanning 40-acres between Camelback and Mummy Mountains, Kimpton Miralina claims a prime perch in the exclusive enclave of Paradise Valley—moments from Old Town Scottsdale and the Sonoran's famed trailheads just beyond.

Lush gardens slow the tempo, breathtaking views set the scene for every moment, and guestrooms, casitas, villas, and residences inspire with designs that celebrate the shifting desert colors. Here, wellness has range, from the intimate spa and indoor/outdoor fitness programs to the serene meditative spaces that take you on a journey through the elemental beauty of the land.
