New Desert Horizons In Paradise Valley

Welcome to Kimpton Miralina Resort & Villas, where the spirit of discovery brings a boldly sophisticated new vision of desert luxury. Spanning 40-acres between Camelback and Mummy Mountains, Kimpton Miralina claims a prime perch in the exclusive enclave of Paradise Valley—moments from Old Town Scottsdale and the Sonoran’s famed trailheads just beyond.

Lush gardens slow the tempo, breathtaking views set the scene for every moment, and guestrooms, casitas, villas, and residences inspire with designs that celebrate the shifting desert colors. Here, wellness has range, from the intimate spa and indoor/outdoor fitness programs to the serene meditative spaces that take you on a journey through the elemental beauty of the land.

Gather In Style

From lush courtyards to terraces that frame Mummy Mountain, every backdrop connects people to place. Weddings take center stage here, unfolding against mountain horizons and Arizona’s luminous, starlit skies. Whether it’s a multi-day conference, an executive retreat, or a once-in-a-lifetime celebration, thoughtful design, intuitive service, and a sense of scale that balances grandeur with intimacy help shared moments linger long after the wrap.

Host in Endless Ways

50,000 sq ft of gathering space—across 21 rooms, courtyards, and patios—means every occasion scales beautifully, from boardroom breakouts to starlit celebrations
